### **Summary of the Office Action**

Claims 8, 15, 16, 18-28, 30, 33-35, 37-41, 43, 45-52, 54, 61-63, 68, 70-73, and 75 are indicated as being allowed (of which claims 15, 46, and 50, were independent), and claims 3, 4, 36, 42, 58, and 74 are indicated as being allowable but were objected to for depending from rejected claims.

### **Response to the Office Action**

In response to the Office action, Applicants have amended the claims by ensuring that allowable subject matter appears in every independent claim, thereby placing the instant application in condition for allowance.

Specifically, the subject matter of allowable dependent claim 36 has been incorporated into independent claim 1, thereby placing claim 1 and the claims depending from claim 1 in the allowed status. Claim 36 itself has been canceled.

The subject matter of allowable dependent claim 74 has been incorporated into independent claim 64, thereby placing claim 64 and the claims depending from claim 64 in the allowed status. Claim 74 itself has been canceled.

Allowable dependent claims 3, 4, 42, and 58 have been amended by having been rewritten in independent form, thereby placing these four claims in the allowed status.

Lastly, independent claim 78 has been canceled.

### **SUMMARY AND CONCLUSION**

The grounds of rejection advanced in the Office action have been addressed and rendered moot by means of an amendment that ensures that allowable subject matter has been introduced into each independent claim. Accordingly, reconsideration and allowance are respectfully requested.
